Diagram illustrating the relationship between frame size, frame rate, and bandwidth. The table shows three frame sizes (120x120, 300x200, 360x240) across three frame rates (10, 20, 30). Arrows labeled 8-1, 8-2, and 8-3 point to the first, second, and third rows respectively. Arrows labeled 9-1, 9-2, and 9-3 point to the first, second, and third columns respectively.
